16", 20" and 24"
diameters.

■ Free Freight on Full Cartons

Patent Numbers
5,617,679 & 5,852,901;
other pats. pending.

We can make any tank with these built in. It is cheaper than Concrete & Easier to handle. Video is coming on installation and benefits of having Plastic Built In.

Don't forget the Free download for you & your customers on how to keep their septic system running smoothly as well.

P.S. You may save yourself time & money by giving this out to every customer. (Tells them what not to put into the system, when to have it pumped, etc.)
